

VENTUREFEST

BRISTOL & BATH 2017

In partnership with

Smart Cities: Thought Leadership Conference

17th October 2017 • Watershed, Bristol

Our Smart Cities Innovation Series will culminate in a one-day Thought Leadership Conference to summarise what we've discovered on our Smart Cities journey and to look at how the technology showcased will lead us into future city development.

The October conference will be part of the Festival of the Future City and will feature investor pitching, speaker seminars and an opportunity to network with the finest Smart City brains in the region.

We look forward to welcoming you to Venturefest Bristol & Bath 2017.
